CITS in collaboration with the Metropolitan Police’s Cyber / Fraud squad, are organising a VIP Workshop / Presentation on how to protect your business.

Companies are invited to bring their key-decision makers to participate in this exercise. By using fundamental techniques, participants will experience the impact of their decisions, and how it will affect the future prosperity of a ‘business’ they are given to run.

Starting at 9am the event will allow participants to learn from Fraud Squad and Cyber Crime Detectives about real time issues which could have a critical effect on their business.

After which, you are cordially invited to share your experiences over some refreshments with your ‘competitors’ and colleagues alike.

It is anticipated the event will conclude at 12 noon.

NOTE: Identification will be required when checking into the venue.

If you are interested please contact Faye Coton on Email: faye@cits.uk.com or visit: www.theftsolutions.org/workshop/
